

## **EPO W TRASPARENTE**

Volume of solids	50%
VOC	0 gr/ liter
Minimum thickness	40 micron
Estimated viold	12 5 m <sup>2</sup> / litro for a thicknoss of 40 micropsi
Estimated yield	12,5 m <sup>2</sup> / litre for a thickness of 40 micronsi
Flash point	Component A > 113°C
	Component B > 115°C
Adhesion	On concrete 2,5MPa On stoneware 12MPa ASTM D 4541
Abrasion resistance	70 mg ASTM D 4060 wheel CS 17 1 Kg 1000 cycles
Temperature resistance	Da -20 a + 100°C
Chemical resistance	Water, cleansing products, oils, fuels. It is not suitable for acid solutions and solvents.
Preparation of surfaces	Concrete: Chemical washing in order to remove laitance layers, efflorescence and other types of pollutants which may affect the adhesion
Preparation of the product	Mix the product according to the following ratio by weight: Component A : 100 Component B: 40 Mix Component A separately and then add Component B For applications in multilayered cycles, add 60 - 70 % of quartz 0,1 - 0,5 while stirring continuously.
Induction time	Not expected

Scheda Tecnica

Pot life	2 hours at 20° C				
Thinning	As first coat, dilute with 80 % of water; as second coat, dilute with 50 % of water				
Environmental conditions	Ambient temperature:from + 5 to 35° CTemperature of the support:> 10° CHumidity:0 - 70 %In order to prevent the formation of condensation, it is necessary that the temperature of the substrate is at least 3° C above the dew point				
Drying and hardening time	For the thickness of 40 microns (v Dry to touch Dry in depth	wet) 10°C 6 10	20° C 3 6	30° C 2 hours 4 hours	
Time of overpainting	Minimum (hours) Maximum (days)	10° C 10	20° C 8 7	30° C 5 hours	
Application	Brush, roller, airless, spray If you use the brush, you have to use nylon or pure bristle brushes. If you use the roller, you have to use medium - haired rollers. For the application, use the method of crossing coats. Airless: Nozzle size: 0,46 mm (0,018 inch) Air pressure: 150 bar				
Shelf life	2 years in a cool and dry place (max 40° C)				
Packs	Comp A 10 kg Comp B 4 Kg
